Waterproof Manual Call Point

The Waterproof Manual Call Point has been designed for use outdoors and in places where moisture can occur. It is compliant with EN54-11 and can be used with the Discovery range.

- Plug and play terminal connections for fast wiring
- Allow wiring continuity testing before fitting
- Isolated version available
- Resettable element

Optional Cover

The Transparent Hinged Cover is for use with XP95 and Discovery Manual Call Points and can be fitted to add further protection against accidental operation.

*Please note - the manual call point does not comply with EN54 when fitted with this cover
